I called Children and Youth about something the other day  
custy as a matter of fact.

And they said there's no such case of ever having my kids removed. I said are you sure, only one but they never took my kids they said?? I have proof videos of visits, all the text messages of them, with me, saying everything I explained in case No. 1: 22-cv-01096-SJD

I have proof that they said that they wernt real agents, to me! I can show proof of that if needed. But they deleted my files? That is what and why. Im filing a new case. Thank you!
